E-SCHOOL

**Federal Programs Survey
2019-2020**

E-School Virtual Charter Academy does not participate in the federal school lunch program; however, the school receives federal funding for certain programs based on students' eligibility for the school lunch program. Although this form is not required for enrollment, please complete this questionnaire to help determine whether the school is eligible for funding for certain programs based on your child's eligibility. You do not have to give the information in this survey, but if you do not, we cannot consider your child's eligibility when we apply for federal funds. Please complete only one form per family.
